Attention:

Subject : Request for Proposal No. RD-10-67
Project No. 09017

Gentlemen:

This office has a requirement for a study program as set forth in the enclosed DEVELOPMENT OBJECTIVES entitled "MATERIALS HANDLING STUDY (Non-Digitally Stored Data)". Your review of this material is requested and a technical proposal and cost and price quotation on this program is solicited.

Prior to the submission of your proposal if a conference is desired between your technical representatives and the technical representatives of the Government you may arrange for such a conference by contacting

[Redacted]

25X1

Your technical proposal and cost quotation should be submitted no later than 17 February 1967 unless a later date is requested of and authorized by [Redacted]. It is requested that your proposal be accompanied by a cost analysis breakdown to assist in evaluating your quotation. This cost breakdown may be prepared on Form DD-633 or a substantially similar form. Two copies of the proposal should be forwarded directly to the Contracting Officer. Three copies should be forwarded to the Technical Representative of the Contracting Officer at the following address:

Subject: Request for Proposal No. RD-10-67
Project No. 09017

The enclosed requirements are classified SECRET. Government interest may be shown, however, association of this Government activity with this request is classified SECRET. In this connection, knowledge of the identity of the particular Government activity which the undersigned represents must be restricted to the least number of persons possible and then only to those who have been authorized in writing by this activity to have access to classified information. Such identity shall be disclosed only on a verbal basis and shall never appear in writing in any of your documents. Any correspondence initiated by you should not make reference therein to the undersigned. "Secrecy Agreements" should be signed by any individual in your company who will have knowledge of this request. Materials covered during the course of this study program will be classified up to, and including, TOP SECRET. Personnel of the firm selected to perform this program will be required, where appropriate, to possess a TOP SECRET clearance from this activity.

If it is desired to proceed with this contemplated program with your company, the authorization will be effected by the issuance of the appropriate type of Government Contract.

At the time of submitting the requested proposal(s) please return this letter, together with all enclosures, to the undersigned at the address stipulated above, Attention: If you do not elect to submit a proposal, this letter and all correspondence should also be returned.

25X1

Very truly yours,
